Re: Olin, North Little Rock, Arkansas Facility

Dear Ms. Demaris:

This letter is to confirm arrangements made between Mr. John Rand and myself toward meeting to discuss and visit the subject site. The meeting is scheduled for November 16-17, 1983. Additional participants will include members of the Arkansas Department of Health, the Arkansas Department of Pollution Control & Ecology and our FIT contractor - Ecology & Environment.

I appreciate your timely response and interest in our attempts to resolve any endangerment posed by this site.

Sincerely yours,

David E. Price
Environmental Engineer
